THE TOWN RECORD

By MONTE DAYTON

Whoops! ESTHER VIRENO of 6196 Mission street, informs us that we were all wet re an item last week on JANE EARLEAN HOLECEK, when we pointed out that the latter was one of the youngest students ever to be graduated from Jefferson high school—at the "scant age of 16 yrs., 4 mos."

Our rectifier points out that she was graduated from Jeff in 1930 while still only 15—an even scantier age. Besides, she was a life member in the California Scholarship Federation and recipient of the Block "J" award.

Formerly Miss Vireno taught schools here in Daly City and is now instructing at South San Francisco.

Humble apologies for our editorial erring.

ELIO ABRAMI, son of MRS. PIA ABRAMI (Kaye's Smart Shop) passed a couple of milestones in the short period of three days last weekend. He was graduated from San Jose State college on Friday, married on Sunday. The bride is (formerly) EILEEN FOSS.

After all those years of waiting Mama Abrami was jipped out of watching the graduation. She had a little auto accident on the way to SJ and was detained. But you can bet your last buck she was there for the wedding Sunday.

Now subbing for FRANK MONTE, this publication's adver-tiseman, is JOE BRYAN, a college student who is doing the work as part of his training in journalism.

Joe takes over the news side of things while this scribe goes over to the ad side for a couple of months.

Frank is far off in the boondocks (Naknek, Alaska) where he and pa are seining the waters for the fat and lucrative salmon.

Daly City's golden-armed maestro of the pitch, ED CEREGHINO, has been transferred to the Class A eastern league at Binghampton.

The powers that be reasoned that he should be given a chance to improve his control and put in a little more time on the mound. Cereghino was with the Kansas City Blues of the American Association, where he had a two win—four loss record.

GEORGE MILLER, amiable butcher the past nine years at the Vista Grande Market, died Tuesday at Franklin hospital. His passing will be a loss to the many who knew George for a courteous, personable fellow.

JOHNNY DELL, Mission street mogul and man-about-town, has gone and done it. Yep, there were disbelievers when the astounding news leaked out that Johnny was painting the facade at his business establishment (Universal Press, 6347 Mission) but on further scrutiny (by the "I'm-from-Missouri-show-me type) it was learned this news was not a bit of heresay released by some wag-tongued knave, but the dog-gone bonafide truth.

History fails to record the last date when this momentous event was celebrated, but we know it's been a helluva long time.

SUPERVISOR'S WIFE IS INJURED IN FALL

Bridgie Callan, wife of Thomas J. Callan, county supervisor from Colma, was confined to St. Mary's hospital this week with a back injury suffered when she slipped down the stairs at her home.

Attendants there said she was resting well yesterday.

Dormitory At Santa Barbara Firehouse Gets Finishing Touch

WORKMEN put finishing touches on new dormitory addition at Daly City Firehouse No. 2, located at Santa Barbara and Parkview avenues. The original section of the building, built in 1941, has served as the central fire station. Addition will make room for nine bunks and ample locker space, thus allowing maintenance of a 24-hour regular fire crew at the building. In the past the station has been open only 10 hours during the day. Dormitory work is underway in conjunction with other fire-fighting improvements made possible by the fire protection bond passed last October. Plans for a new firehouse in the Westlake area are in final stages. New facilities will probably make it possible for the present fire underwriters insurance rate here to remain stable, Chief Elmer Kennedy says.

THE RECORD photo

Daly City Mother Of Four Missing 6 Days

By Joe Bryan

Angelita O. Schermerhorn, 34, mother of four, of 263 Los Banos avenue, has been the object of a state-wide search since Saturday at 11:55 when she left home taking her nine months old daughter Susan Mae with her.

Her husband, Bill Michael Schermerhorn, who reported her missing, disclosed thet he felt that his wife was mentally ill and that he feared for the safety of the child.

The husband estimated that she took $100 cash and an Elgin wrist watch with her in addition to all of her clothes. He had no idea of what she was wearing at the time because all of the woman's clean clothes are missing.

Resigned Job Friday

Investigation at the Hartford Insurance Co. where Mrs. Schermerhorn was employed disclosed that she had resigned last Friday, the day of her disappearance.

Mrs. Schermerhorn is described as being a native Filipino, four feet 11½ inches in height and weighing 110 pounds. She has black hair and eyes and an olive complexion.

Living with the Schermerhorns are her aunt Mrs. Maria De Guzman, and her son Ramon. Both were asleep in the basement of the Los Banos avenue house when Mrs. Schermerhorn left.

Sought Divorce

Shermerhorn reported that there had been no family quarrels since last December, when his wife asked him for a divorce and he spanked her. He said that he and his wife are Roman Catholics, and that since it is against their

POLICE SEIZE TWO MEN IN LOCAL BOOKIE RAID

Daly City police were called upon to enforce state statutes on bookmaking for the second time in 1953 last Monday.

Free on $1000 cash bail are two men arrested by Inspectors Benassini and Johnson at 125 Valley street here.

Alfred N. Caputa, 443 London street, San Francisco, was charged with bookmaking. Police claim that he was apprehended in the act of accepting bets.

Arrested on a charge of allowing bookmaking to take place on his premises was John Coccallatero of the Valley street address.

Each of these charges is a violation of different section of the statutes of the state of California.

The men must face Muncipal Judge Thomas L. Bocci in South San Francisco today (Friday).

These are the first arrests since the Danial McCarthy-George Diaz case on January 29.

Local Quiz Team Seeks Sixth Win

Daly City's contingent of students will test their wits again tomorrow (Saturday) on the teenage quiz show to seek their sixth straight win.

A seventh win on the quiz program would give them a tie for record number of consecutive victories, now held by Balboa.

The local trio racked up their fifth victory June 6 against Petaluma, scoring 100 to the losers' 85.

Thus far the team of Roberta Taylor, Rudie Schubert and De Wayne Soares has been competing on the Del Courtney television program.

However, in tomorrow's competition Miss Taylor will not be present and Wally Honeywell will substitute for her. Honeywell has appeared with the group on one other occasion.

The show is televised on Channel 5 from 3 to 4 p.m.

Bodien To Remain In City Service For Two More Months

Ho hum. After 20 years a few weeks more one way or the other shouldn't make much difference.

At least so it would seem to Arthur Bodien, superintendent of the water department the past 20 years, who was scheduled to retire June 30 of this year.

Because the city council has as yet found no one to replace Bodien, he has been asked to stay on until September 1.

The council has put in a request with the state board asking that Bodien be allowed to continue on here a short time in his capacity as head of the water department. Their answer is expected to be affirmative, Bodien said.

During Bodien's extended period of employment with the city he will fill in for Building Inspector George Hopman, who is scheduled to go vacationing in August.

Telephone Call To Daly City Police Saves Woman's Life

Officers Linhares and Mundy of the Daly City police entered a gas-filled apartment at 685 Hillside Blvd. at 8:10 Tuesday evening to rescue Mrs. Jean Cereneglia who was apparently attempting to take her own life.

The policemen rushed to the scene after receiving a long distance telephone call from Mrs. E. C. Methersherd of Santa Barbara—the would-be suicide's mother.

After removing the unconscious victim from the premises, the officers returned to the apartment and found three suicide notes. In addition, a garden hose was fixed to pipe gas into the victim's automobile.

Roberta Taylor Is Representing Her School In Capital

Roberta Taylor, 58 Bepler street, left for Sacramento Wednesday to represent Jefferson Union high school at the 10th annual Girls' State.

Miss Taylor will be one of 343 girls who have been chosen to see democracy in action, and was chosen for this honor by the student body and faculty of the high school because of scholastic ability, leadership, character and citizenship. She is sponsored by the American Legion auxiliaries of Daly City, Broadmoor, and Brisbane.

While in Sacramento, Miss Taylor will be contesting for an opportunity to be one of the two California at Girls' Nation, a meeting of all the representatives of the 48 Girls' State.

The teen-age quiz team will be without the services of Miss Taylor Saturday while she is in Sacramento. She is expected back June 25.

Later this month, Wally Honeywell will go to Sacramento to represent Jefferson at Boy's State. He is expected to take Miss Taylor's place on the quiz-team Saturday.

ENGLEMAN SENTENCED TO 20 YEARS IN PRISON

Two Wives Are Granted Annulments

A maximum of 20 years in San Quentin was the justice meted out to Stanley Keith Engleman, 24-year-old attempted dynamite murderer, Tuesday in Superior Judge Murray Draper's court.

Engleman had admitted to planting a dynamite booby-trap in the auto of Phillip Rancatore of Daly City on April 22. He stuck to his original statement that his motive was that Rancatore had made advances to a girl friend of his.

Meanwhile, Engleman's love life assumed vaster proportions Wednesday as two of his former wives sought and were granted annulments in San Francisco superior court.

The two spouses, both only short-time partners in matrimony with Engleman, received their annulment papers together and rushed frantically out of court to dodge newspapermen and photographers.

After sentence Tuesday Engleman wept profusely as he embraced his weeping foster mother, Mrs. Edward J. Entwhistle, of

Westlake Shopping Center To Award Prizes Tonight

Come one! Come all! To the Westlake Mall!

Tonight (Friday) at 7 o'clock the long-awaited event sponsored by 32 merchants of the Westlake Shopping center will take place.

First prize is a fabulous 10-day tour of the Hawaiian Islands. The winner will be flown to the Pacific paradise by United Air Lines. All expenses will be assumed by the Westlake merchants.

Winner of second prize will be taken to glamorous Hollywood to spend a week at the Hollywood-Roosevelt hotel. Westlake merchants will foot the bill for this also.

Lovely Lake Tahoe will beckon to the third winner. He or she will spend an all expenses paid week in a resort on its shore.

Fourth prize will be a five-day vacation at Hoberg's, the famous northern California resort.

(Continued on Page 2)

City Officials Say Next Year's Budget Not Cut Drastically

Mayor A. J. Gaggero, City Auditor Herbert Thielmeyer, and City Administrator Dan Andersen stopped in their comprehensive study of the budget Wednesday to comment that all department budgets will be higher than last year, and that no department had been drastically slashed.

Andersen said that some of the departments may be disappointed because expansion plans have been reduced to allow gradual increases.

All three city officials declared that the number of firemen and police would be increased, but declined to say how much. They stated that increases in personnel would be at the discretion of the city council.

If today's (Friday) truce talks end the construction walkouts the picture in Daly City will look rosy, City Administrator Dan Anderson disclosed today.

"We should be able to begin work on the new Westlake firehouse within 60 days. Also, we'll be able to continue work on Knowles avenue, the Frankfort park, and the Westlake water lines and homes. In the meantime, construction on the $9681 dormatories for firemen is progressing nicely, and should be finished on schedule if nothing unforseen happens."

No results have been obtained as yet from the survey which is being taken by the State Personnel board. The purpose of the survey is to determine whether or not Daly City employees are receiving salaries which are comparable to employees of other cities of the same size throughout the state. The three hoped that this report would be ready for the council meeting Monday night.

According to the three officials, the 1953-54 budget probably won't be adopted at Monday night's session. They predict that the council will have to study the budget, and deliberate on some items. It is hoped that the budget will be passed at an adjourned meeting on June 29, the officials said.

San Francisco Woman Held On $500 Bail

Bail was set at $500 for the San Francisco woman arrested here Wednesday on a charge of trying to steal the money sack from the Market Basket grocery, 6318 Mission street.

Arresting officer Hank Sundermann brought the accused woman to the station where she gave the name of Judy Lee. Later it was disclosed that she may be Lila Harris of 124 Jones street, San Francisco. Police say that the Harris woman has a long record of arrests.

TRUSTEES TURN DOWN TEACHER SALARY SKED

Trustees of the Jefferson elementary school district Saturday called for further study on a first-draft salary schedule for teachers.

The schedule was presented to them by a committee of the district's principals and coordinators.

At present teachers' salaries in the district are set on an individual basis. The district now seeks to set up a salary schedule, according to H. Z. Weibel, superintendent.

Weibel said the salary schedule would probably result in increases for many instructors. However, he explained, the initial schedule drawn up by the committee was believed by the board to be inadequate. He said it didn't take into account all the various qualifications of individuals.

In general, he said, the board thought the report was not "clear enough or complete enough."

The committee is scheduled to present a revised schedule at the

Disfigurement On Colma Hills Isn't Permanent -- Rohl

Although the Pacfic Gas and Electric Co. has been criticized severely for the disfigurement of the hills behind Colma in recent weeks, the only purpose of the work there is to assure residents of the greater Daly City area adequate electricity for the coming winter J. A. Rohl, local PG&E manager, announced Wednesday.

According to Rohl, the disfigurements are a result of work done by construction equipment, and will be only temporary in nature.

Present project of the PG&E is to string two power lines which will carry 12,000 volts to area

(Continued on Page 2)

Jefferson Grads Win Scholarships To Nearby Schools

Donna Shulda

James Butenhof

Shirley Anne Rogers

Three members of the 1953 graduating class of Jefferson high school have brought honor to themselves and their Alma Mateo through scholastic achievement.

James Butenhof of 172 East Vista street has won a scholarship to the University of California at Berkeley. He intends to enroll in September. In addition to this honor, he was awarded the Bausch-Lamb science medal as well.

Shirley Anne Rogers of 76 Shakespeare street will get her nursing education free at the St. Francis hospital in San Francisco as a result of her scholastic ability.

Third member of the brainy trio is Donna Shulda of 82 West Market, Colma. She will get nine months training at the Art League of California school as a result of winning the Fine Arts award in competition with other high school students of the area.

Local Ford Dealers Take Part In 50th Birthday Observation

AS THE FOUNDING fathers of the business appear in the background, the Neville brothers pose for the camera on the advent of the Ford Motor company's 50th anniversary. The Neville brothers have been Ford dealers here the past nine years. During the past week they, as Ford dealers throughout the nation, have been taking part in the observance of the half-hundred year mark in the motor company's history. All dealers of the Bay Area were feted Wednesday night at an anniversary function held in San Francisco's Fairmont hotel. Left to right in photo are Lee B., Ira C. and Alvin W. Neville.

THE RECORD photo

Councilman Gives Chamber Lowdown On Annexation Talk

The dying embers of the San Francisco "annexation" threat were briefly revived at the Daly City Chamber of Cammerce meeting yesterday (Thursday) as Councilman Paul Green delivered a detailed speech on the history and technical aspects of the land grab.

A point brought out by Green that, to date, has been neglected, was Daly City's happy situation of being minus a sales tax.

This alone, Green said, should be enough to dissuade local residents from having any desire to consolidate with San Francisco.

However, as Green pointed out, chance of "annexation" here by San Francisco having any success are so removed as to virtually impossible.

He said that the idea was instigated, in the main, by several San Franicsco supervisors who "popped off" without knowing the legal intricacies of such an annexation move.

He also predicted that county taxes here would be reduced, while a substantial tax jump in San Francisco was seen for the coming years.

Westlake Shopping Center Awards

(Continued from Page 1)

Lucky fifth place person will be given a six cubic foot Crosley refrigerator. while the sixth place winner will receive a 21-inch television set of the same make.

To the seventh prize winner will go a Westinghouse Laundromat.

A Waste King garbage disposal unit is the eighth prize.

Ninth-place winer will receive a Sunbeam coffee-maker.

Tenth prize is a Presto deep-fryer.

Last prize is a Sunbeam automatic toaster.

Tickets have been available for the past several weeks at any of the Westlake Shopping center stores.

ASTORIA

Astoria, located at the mouth of the Columbia river in Oregon, is reported by the National Automobile Club to have been founded by an Astor fur trading party in 1811 and today to be an important port through which pass the products of vast flour mills, salmon fisheries, and packing plants.

Mother Of Four Missing For 6 Days

(Continued from Page 1)

religion to get a divorce he thought she was mentally ill for seeking the separation.

According to the husband, Mrs. Schermerhorn took a frying pan, three pots, a deep fryer, an alarm clock, an electric coffee pot and several framed pictures. He was of the opinion that a cabdriver or some friend must have helped her.

The missing woman's cousin, Ramon, said that he and his mother are the only relatives that the Filipino born woman has in the United States, and that he knew of no friends that she might be staying with.

Husband Names Friends

Only friends of the missing woman were Mr. and Mrs. Gregory Kranes, Schermerhorn disclosed. "He is a soldier in the Presidio, but I don't know what his wife does," he continued.

"Angelita left all of the bills unpaid. I just paid a two months old water bill today (Wednesday). I don't know what the people at the PG&E think. I'll pay them as soon as I am able," Schermerhorn said.

"Since my wife has been gone, I've become ill worrying about the baby. She used to shout at her and at times our other three children. I'm sure she must be mentally ill. Yesterday I had to go to the doctor myself because I cannot sleep. I can't go on this way much longer," he declared.

Mrs. Schermerhorn left three other children at home when she left. Wanda Carol, 5, Patricia, 4, David Wayne, 2.

Search Has No Result

Police reported that the all points bulletin which they issued last Saturday has had no results, and that they are still checking.

The husband, who has spent some time searching for his wife, divulged that a check of employment agencies has netted nothing.

He is employed on the night shift in a South San Francisco glue factory.

As The Record went to press, Schermerhorn said, "I don't want a divorce. I want my wife and child back."

The family has lived in Daly City since 1945.

Engleman Gets 20 Year Sentence

(Continued from Page 1)

1664 Alabama street, San Francisco.

He shook his head from side to side when the judge passed sentence.

Although the law reads that 20 years is the maximum sentence for attempted murder, no provision is made for a minimum sentence. The convicted youth will be eligible for parole at a time to be fixed by the state adult authority.

At the Rancatore home, where Engleman's fantastic plot created havoc in the regular family life, things were a little quieter this week.

The intended victim's wife, Mildred, said they hadn't discussed Engleman's sentence much, but were "much relieved" that the whole matter had subsided somewhat. She explained that her husband had been working long hours in his new place of employment, a San Francisco grocery store, and that they "have'nt had much chance to discuss the incident recently."

Rancatore had been working as a truck driver for Safeway company at the time Engleman planted the bomb.

Daly City Creamery Under New Management

Daly City Creamery, 6288 Mission, has two new owners.

On Monday, June 15, Angelina Mahood and Yolanda Piccardo took over the business. The girls' promise that some changes will be made, and invite their friends to come in for a visit.

Sanders Enters Plea Of Insanity On Murder Charge

Walter Sanders, 36, charged with the murder May 25 of his common-law wife, Mrs. Roberta Blackman, in a Colma trailer court, pleaded not guilty and not guilty by reason of insanity in Superior Judge Murray Draper's court Monday.

Date for trial was set for July 13.

The judge appointed Dr. L. C. Johnson of Agnew state hospital, and Dr. Douglas Kelly, of Oakland, to examine Sanders in preparation for trial on the insanity plea.

Following his arrest, Sanders was examined by Dr. Walter Pappaport of Agnew state hospital, who reported that, in his opinion, Sanders was legally sane.

Sanders has admitted to police he stabbed Mrs. Blackman because of jealousy and for revenge.

Expensive Artichokes

Lester Peterson, Colma, and Robert Rose, San Francisco, had hot plants the other night, and they were expensive. The pair paid $150 each when caught with another man's artichokes.

Municipal Judge Thomas L. Bocci of South San Francisco put the men on probation for a year also.

PG&E Rezoning Hearing Will Be Held Monday

Rezoning chances look good, and the PG&E sub-station may be approved at Monday night's council meeting, Dan Andersen, city administrator disclosed this Thursday.

Andersen said that he did not see why the 3-2 vote of the council should not be repeated. As of now, Councilmen Verducci and Dennis are on record as opposed to the rezoning because of the proposed site's proximity to residences and the Colma school.

Mayor Gaggero and Councilmen Green and Kennedy have backed the proposal for the new substation.

A hearing has been set for July 13 for the blocking off of the necessary streets so that construction of the new PG&E structure may be accomplished easily.

Out of the depths I cry to Thee, O Lord; O Lord, hear my voice!—(Psalm 129, 1.)

Deep within himself, each of us will carry a hidden grief that no friend can comfort and no physician can heal. Let us remember, though, that our Heavenly Father through Christ the Redeemer, will hear our prayers, will forgive us again and yet again, and heal with the peace that passeth all understanding.

Disfigurement Is Not Permanent

(Continued from Page 1)

residents.

Rohl explained that this amount of electricity will be necessary to carry local citizens comfortably through the winter. The work is being done in lieu of the substation which the company requested in April of 1953.

PG&E's local manager disclosed that he does not expect the substation to be built in the near future despite the need for it.

Hearing on the sub-station is scheduled for June 22, and if approved, it will take until July 14 to close off the necessary streets, Rohl said. After this, the construction work will take an estimated six months.

When and if the power station is erected, the two lines which are now under construction will be utilized, but with ten times the voltage. This will make them carry 120,000 volts.

"My reason for making a statement at this particular time is to give persons interested an explanation to which they are entitled, and to relieve my office of some of the adverse criticism to which it has been subjected in the recent past," Rohl said.

AVOID HURRY HABIT

Avoid getting the hurry habit in your driving, advises the National Automobile Club. What good will it do you to save a few minutes if in your frantic hurry to do so, you lose your life?

Turn Down Teacher Salary Schedule

(Continued from Page 1)

board's meeting next Thursday night.

At last Saturday's special meet six bids were received for site work on the Garden Village school, but all were taken under advisement.

According to Weibel, the board was "not satisfied" with the bids. There is a possibility the district may re-advertise for bids on the work.

Reason for the board's dissatisfaction with the bids was not disclosed, but Weibel said an official statement may be made after next Thursday's meeting.

SCORED BRAKE DRUMS

Worn brake lining or lining that has abrasive matter lodged between the brake drum and lining is the usual cause of scored brake drums on your car, says the California State Automobile Association. The best preventive is to have drums and lining cleaned and inspected at regular intervals. Lining that is worn down to the rivets should be replaced immediately in order to prevent irreparable damage to the drums.

In The Past

TEN YEARS AGO IN THE RECORD

Thursday, June 17—Daly City's fire fighting equipment, which well might decide the difference between adequate fire control and holocaust in the event of a surprise Japanese air raid on this area, is shortly to be augmented by the loan of several pumps and other protective gear from the federal government, according to Arthur J. Bodien, director of civilian defense here.

Three local residents, Claude Cattori, Charles Suenderman, and Mrs. Emma Ledterman, have been presented with voluntary service awards in recognition of conspicuous service in the performance of war-time duties. District director of the office of price administration Francis Carroll made the awards to the local leaders, who have been affiliated with war price and ration board No. 83-12-3.

Police department news was nothing if not typical this week, with a routine number of lost ration books reported, dogs biting residents, skylights not blacked out, "had been drinking" cases, would-be suicides, children strayed from home, street lights out, minor auto accidents, which were harder on tempers than property and family arguments.

FIFTEEN YEARS AGO IN THE RECORD

Friday, June 17—It developed at the regular meeting of the city council Monday that the board of trustees of the Jefferson school district had set a tentative valuation of $10,000 for the Vista Grande school property on Mission street.

Several weeks previous a petition signed by citizens in excess of 300 had been presented to the council requesting that body to acquire this property for use as a civic center in Daly City.

Chief of Police "Barney" Hilton was a proud man (albeit flustered) Monday at the meeting of the city council.

A large number of his friends had "chipped in" and raised enough "filthy lucre" to purchase a gold star for the chief. Another public spirited friend supplied the cmash cash to pay for a diamond to ornament the center.

Calling attention of all residents of Daly City to the second annual observance of public recreation week in California, Mayor Paul Selmi has appointed Mrs. M. Boyle, Mrs. A. M. Eason, Mrs. Martin Johnson, Mrs. Rose Watson and Commander Jakobsen of the American Legion Post to the publicity committee for the observance of public recreation week in Daly City.

TWENTY-FIVE YEARS AGO IN THE RECORD

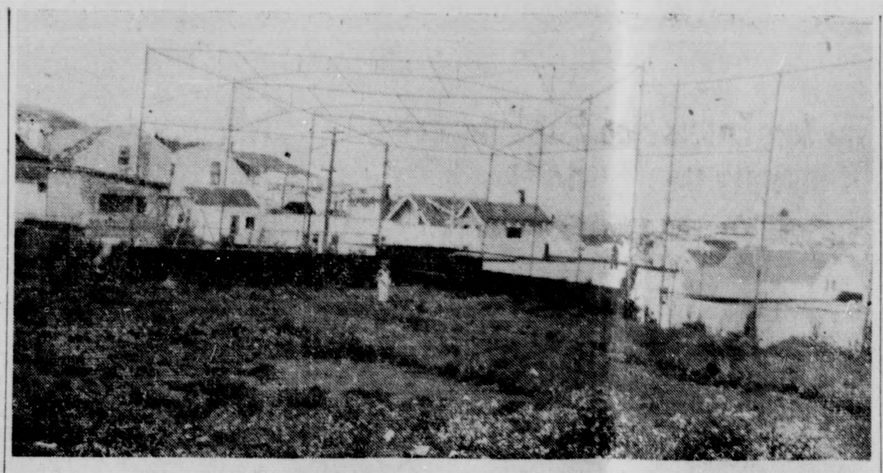
Friday, June 15—Mr. B. F. Gunn, division superintendent of Geneva district, Market Street Railway, was host to a number of people from Lawndale, Daly City and San Francisco on Friday, June 8. They were taken in one of the railway's noiseless cars to the Whitcomb hotel, where they partook of a most delicious luncheon.

On Saturday evening Mr. and Mrs. George Rode, 275 Wellington avenue, entertained in honor of Miss Genevieve Deeney, who is leaving shortly for a trip to Europe.

Those present were Miss Deeney, Irene Biebel, Mary Egerstrom, Helen Rose, Jesse Valledeo, Louis W. John, Fred Cunha and George Rode.

Miss Albina Garibaldi, daughter of Mr. and Mrs. D. Garibaldi, and George Volkman were married last Saturday evening at the parish home of Holy Angels' church, Rev. Father Joseph Schenone officiating.

The bride was beautifully gowned in gold lace, with hat to match, and wore a beautiful corsage of orchids and lilies of the valley.



Spring Has Come And Almost Gone

As shown in photo above, the condition of Frankfort park has been lamentable during past months.

Workmen, at some considerable expense, prepared the outfield last Fall. Completion of the field awaited the coming of Spring and consequent settling of the ground, which would allow the area to be filled in with clay.

Needless to say, it's been a long time since the first harbingers of Spring approached and the last time we looked, the park still appeared as it does in the above photo.

The Frankfort park, as the only playground for hundreds of children in the eastern Daly City area, is particularly strategic from a recreation standpoint.

For this reason strictest attention should be paid to the needs of such a park.

We understand the city fathers last week let a contract for filling in of the area with clay.

This comes as a not unpleasant surprise after all these months. We hope fulfillment of the project is not in the too distant beyond.

Summer is here and now, more than ever, the young fry need a place to go to unleash their abundant energy in wholesome recreation.

They're anxious to take part in recognized athletic activities and would prove their interest if the council would pay a little prompter attention to recreation needs in this city.

The Horror Of A Trend

The California Taxpayers' association, a persistently factual body that devotes itself exclusively to an almost clinical study of the life cycle of your tax dollar, has come up with some more data that substantiates our claim of wastrel methods, inefficient assessments and general tomfoolery in the quarters of the county government in Redwood City.

The recent association report shows that property tax bills in San Mateo county have gone up 394 per cent in the past ten years, while population of the county has increased only 98 per cent in the same period.

Included in the $25,328,802 total property tax bill in the county for 1952-53 were $5,424,119 for the county government, or more than one fifth. A total of only $4,602,703 went to city governments throughout the entire county. Spent for school districts in the county was $13,426,475 and $1,875,505 went for special districts.

The property tax bill in the county for 1943-44 TOTALED $5,123,879. This included $1,502,272 for the county, $1,342,891 for the cities, $2,010,145 for school districts and $285,571 for special districts.

Population of the county at January 1, 1953 was estimated at 286,600, compared with 144,500 for January 1, 1944.

Reliable population experts predict the same trend will continue through the next ten years.

At the same time, no tangible efforts by the county to attract industry to this area have been seen. In other words, the tax burden will continue to be plunked atop the backs of the homeowners.

If the population wave increases according to prognostications, can we gainsay that, under the present type of county bumbling, the average homeowner's property tax rate will be three times its already ruinous figure?

Think it over. If the county remains consistent in its dim-witted approach to fiscal planning, the horrible trend could be borne out.

MY MAD WORLD

by Leonore Brewer

As I once confided in you, when the ballet is here I'm convinced it's the greatest thing in the world, but when I hear a great opera I know that opera is. If ever there was a season to help me make up my mind if favor of opera, this is it.

When reading over the regular subscription prospectus, the most modest word that comes to mind is tremendous. Just think—no "Aida," no "Boheme," no "Butterfly." Instead — "Mefistofele," "Boris" and "Elektra." Not that I have anything in particular against the first three, and when I feel the need of a good cry "Boheme" goes on the record changer, but one does weary of hearing the same thing, year after year, considering the vast wealth of operatic music which can be found on records but seldom reaches the stage. Of course, last year we did have Mefie and Boris, but that's different, that's Rossi-Lemeni.

Now is as good a time as any to pause and shed a tear for the continued absence of Leonard Warren. Do you remember when he sang Don Carlo in "Forza" and the villain, Barnaba, in "La Gioconda?" Yummy, yummy, yummy. They, if you will pardon the expression, are bloody operas, and I'll miss them, but one just can't have everything.

The teenage member of our family feels that the opera company has fallen into degenerate days. In his extreme depression he has muttered gloomily that its glory is in the past, and its future is black—no Lily Pons. It is doubtful if this opinion will be shared by the more prominent critics, who have never been particularly kind to that coloratura. I cannot recall reading one wholeheartedly favorable review on any of her roles, yet this critical coolness has never dampened the ardor of her admirers. I just haven't the heart to point out to our teener that Lily's customary role in "The Barber" is going to a mezzo (the mezzo, incidentally who sings it in Cetra's recording).

I, too, can remember when my first question was, "Who is the soprano?" Now I slobber over the roster of baritones and basses. Ah well, none of us are getting any younger. We probably can't hear those upper registers as once we did.

FIRE FIGHTERS' FACTS

By Mel Hanson
Fire Prevention Bureau

It's just about that time of year when the grass is getting as dry as tinder and the fire hazard is the greatest. The Daly City fire department has responded to four grass fires already this week. These fires were not serious, but they could have been.

With the fourth of July and the fire works just around the corner, several fire prevention measures should be taken, if a vacant lot is adjacent to your home, please cut a path about three feet wide away from your property. Have your garden hose attached to your faucet, just in case.

The Daly City fire department, as usual, will burn hazardous lots adjacent to your home. Just call PLaza 5-4212, extension 8.

Co. 4 Gets New Men

Captain Fred Mather of Co. No. 4 welcomed Edwin Cook of 501 Evergreen avenue as a new member last Friday evening. Cook will attend a series of drills with the paid department, which will make him better fitted for the fire service.

Chief's Drill

Chief Elmer Kennedy will conduct the quarterly drill next Thursday evening, June 25th. All four companies comprising the Daly City fire department will take part in the drill. After the drill the companies will respond to an invitation of Captain Fred Mather for a feed and discussion of the drill to be held at Station No. 4.

Annual Meeting

Mel Hanson of the Daly City fire department represented the department at the annual meeting of the San Mateo County Heart Association yesterday (Thursday) evening at the Health Center, 37th avenue, San Mateo. He accepted on behalf of the department the "Bruce Barton" award for outstanding community service in the field of heart disease. As you recall, the Daly City fire department sponsored the fund drive for the association several months ago.

Dormitory

The new dormitory now under construction at station number two is rising at a good clip. The carpenters have the walls, partitions and roof on. The plumbing is about completed. The electrical work is being done. From all indications it won't be to long before the department will be able to move in.

Disaster Demonstration Will Be Held Saturday

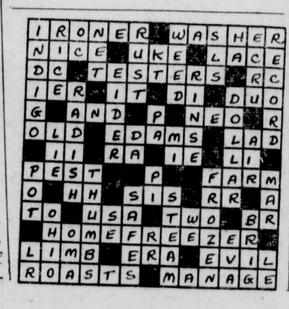
Daly City residents are invited to attend an Emergency Disaster demonstration which will be held tomorrow (Saturday) between the hours of 10 a.m. and 3 p.m.

The demonstration will be held on the Marina Greens near San Francisco's Yacht Harbor, and will feature Squadron 96 of the Civil Air Patrol under the command of Capt. C. A. Lattimore.

Included in the show will be an air demonstration, a parade of cadets, and a complete display of search and rescue equipment.

MONO COUNTY TROUT

Topaz Lake in Mono county has been producing some fine catches of trout lately, according to the National Automobile Club.



Year's Medical Gains Termed 'Exceptional' By A.M.A. President

NEW YORK—The past year was hailed as "one of exceptional progress in medical science" by Dr. Edward J. McCormick, Toledo, O., who was installed as the 107th president of the American Medical Association here.

He predicted that doctors of the future will devote much of their work to disease prevention.

In his inaugural address—"American Medicine's Report to the Nation" — at the Hotel Commodore, the Ohio surgeon also:

Dr. McCormick

Lauded the expenditure of nearly a quarter billion dollars for expansion of medical schools in the past three years, and said the A.M.A. is strongly supporting such programs.

Explained that studies show physician shortages are caused "not by a nationwide lack of doctors, but primarily by faulty distribution due to professional factors related to their practice."

Called upon the nation's doctors to move vigorously in ridding their ranks of "the small number of greedy and godless physicians who flagrantly violate the traditions of the medical profession."

Dr. McCormick cited as among the outstanding medical achievements of the past year the tests which showed that gamma globulin could at least temporarily prevent paralytic polio, and progress in development of a vaccine against all three known polio viruses.

More than 40,000,000 people visited national parks last year and the figure is expected to go higher in 1953 as America prepares to spend a whopping nine billion dollars on motoring vacations. As another indication of the tremendous popularity of mobile vacations, 28 states now rank tourist receipts among their three top industries. New Mexico and New Jersey place it first.

TO HELP the Peninsula Veterans Hospital Committee raise funds for its purchase of personal and recreational necessities for patients at Palo Alto veterans hospilta, Movie Star Charles Coburn buys a book of tickets to the committee's special "Western Jamboree" and dance. This benefit, to be held at the Bay Meadows clubhouse on Sunday afternoon, June 14, will feature personal appearances by Hollywood western personalities and more than $1,600 in merchandise prizes. Mrs. Richard Andresen, San Mateo Women's Club official made the sale to Coburn last weekend with James Kehoe, AMVETS past departmental commander looking on. All Peninsula veteran's and civic organizations are cooperating in the sale of the $1.00 jamboree-dance tickets... San Mateo Radio Station KVSM arranged for the guest star visitors; merchandise was donated to the worthy cause by McCormick & Co. of San Francisco.

HOW CAN I?

By Anne Ashley

Q. How can I reduce the spattering and smoking of fat when broiling steaks or chops?

A. After preheating the broiler, pour in just enough cold water to cover the bottom of the broiler pan. The water does not interfere with browning or crisping the meat. It lessens spatering, and also makes the cleaning of the broiler much easier.

Q. How can I store white garments to keep them from turning yellow?

A. Use brown or blue paper for wrapping the white garments. The chloride of lime in white paper will destroy the color of the garments, causing them to turn yellow.

Q. How can I prevent dandruff?

A. Some have claimed success by using a mixture of one part apple juice and three parts water. Apply this solution twice weekly.

Q. How can I make a lotion to prevent sunburn?

A. By mixing two ounces of water and 10 drops of glycerine; add a little perfume and dab this on the skin with a soft cloth: leave on five minutes, then wipe off very gently.

Q. How can I keep freshly pared apples from turning brown?

A. Put the pared apples into a bowl of cold water immediately, and they will not turn brown. They can be kept this way for some time, until ready for use, just by changing the water once or twice.

Q. How can I easily clean silk lamp shades?

A. Use a soft-bristled brush to remove the dust from the shades, as it is the dust that rots the silk and destroys the color. This should be done every week.

Q. How can I prevent body perspiration odor?

A. Wash the body with a basin of warm water, to which add two tablespoons of compound spirits of ammonia. This leaves the skin sweet, clean and fresh.

Q. How can I make a good hot-weather bath powder?

A. By mixing equal parts of cornstarch and talcum.

Q. How can I safely clean oil paintings?

A. Use warm soapsuds. Wash only a small section of the canvas at a time, and wipe it dry. When the entire surface is clean, go over it with a cloth dipped in linseed oil to prevent cracking.

Q. How can I remove lint from freshly varnished surfaces which have not fully hardened?

A. Rub these spots with a cloth moistened with turpentine, and follow with furniture polish.

Q. How can I soften butter?

A. The best method to soften butter that is too hard to turn a heated bowl over it. This softens the butter throughout, and it then is easily spread.

Q. How can I remove the odor of tobacco from a room?

A. Place an open jar containing ½ ounce of spirits of lavendar and a lump of salts of ammonia in the room. Spirits of lavendar can be made by adding oil of lavendar to some rubbing alcohol. Another remedy for tobacco odor is simply to place a dish of vinegar in the room.

Q. How can I determine the freshness of fish?

A. See that the gills are red, the scales stick close together, the eyes are bright and bulging, the fish doesn't have too strong an odor, the flesh looks clear and is firm to the touch.

Q. How can I make a skin softener?

A. To soften and whiten the face, neck, arms, and hands, mix and apply a little raw cornmeal and sour milk.

Q. How can I remove mud stains from garments?

A. Let the mud dry on the garments. Then try brushing with a stiff whisk broom, and if that doesn't prove effective, try scratching it off with the edge of a penny. This is just as sharp as is needed, and will usually do the work without injuring the material.

Q. How can I tell the difference between boiled eggs and unboiled eggs when they have become mixed

A. Spin the eggs on a table. The boiled ones will whirl around fast, but those that are raw will make only one or two turns.

Q. How can I clean sponges that have become slimy

A. Soak them in vinegar overnight, then rinse thoroughly in hot water, and hang out of doors to dry.

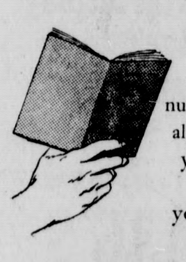
Q. How can I make an old ivory finish for woodwork or furniture?

A. An old ivory tint can be obtained by tinting light ivory paint with raw sienna and burnt umber. After this, apply a glaze coat of raw sienna mixed with burnt umber, and then wipe lightly.

How to make good telephone service even better....

When you're tempted to make one call after another...

... arranging a graduation party, for instance ... remember, someone may be trying to call *you*. So why not give him a chance to get through to you. It's always a good idea to wait a few minutes after each conversation ... before going on to the next. That way, people have a better chance to get you ... instead of a busy signal.



this handy free booklet

... keeps your out-of-town numbers, as well as local numbers, always at your fingertips. To get your free copy, just telephone, send a postcard, or drop in to your nearest Pacific Telephone business office.

Broadmoor Fathers Invited To Special Service On Sunday

Broadmoor Community Presbyterian church, 87th west of Junipero Serra, will hold a special father's day service Sunday morning at 11 o'clock, according at 11 o'clock, according to the Rev. John A. Glasse, pastor.

"Finding Treasure in Trouble" will be the topic of Rev. Glasse's sermon.

Purpose of the special service is to recognize fathers without embarrassing them, Rev. Glasse said. He invited families to attend as a unit in honor of the occasion.

Several numbers will be performed by the choir also.

SCHEDULE OF MASSES IN LOCAL CATHOLIC CHURCHES SUNDAY

Our Lady of Perpetual Help church, 60 Wellington avenue, Daly City, (PLaza 5-2377). — Sunday Masses are scheduled at 6:30, 8, 9, 10:30 a.m. and 12:15. Devotions are held on Tuesday nights at 8 o'clock.

Holy Angels church, 107 San Pedro Road, Colma, (PLaza 5-0478) — Sunday Masses are scheduled at 7, 8, 9, 10, 11 a.m. and 12:15.

Perpetual Novena is held every Tuesday night at 7:30.

Lutheran Bible School Will Have Two Groups; Begins July Sixth

Rev. Robert G. Konzelman, B.D., pastor, has announced the schedule for the Daily Vacation Bible school at the Lutheran church of Our Savior, Garfield and Junipero Serra Blvd.

This year the school will be held in two sessions. The beginners' group, for four and five year old children, starts Monday, July 6, and will continue to July 17. The six to twelve year old group will meet from July 20 to 31. The course of study is "My Christian Faith" and the class periods will include studies, expressional activities and recreation. All children of the community are invited to enroll in this Bible school. For further details, phone JU. 4-8501.

On Sunday, June 21, the Luther League meets at the church from 7 to 9 p.m. James Brog, president, invites Persons of high school age to share in this fine youth program.

Broadmoor Community Presbyterian Church Schedules Baptisms

Reception of new members and administering of the sacraments of Lord's Supper and of baptism will be held at the Broadmoor Community Presbyterian church at the 11 o'clock morning worship service June 28.

This will be the last regular sacramental service until October and all members are obligated to attend if possible.

Christian friends not members of this local church are also invited to attend and to participate in the service. All persons interested in either baptism or membership are invited to contact the Rev. John A. Glasse, minister, before that date.

Locals Lose Tilt With Dept. Of Motor Vehicles

One Daly City resident has had his driver's license revoked, and two others have been put on probation, according to a bulletin from the state department of Motor Vehicles.

George Gredrick Rode of 1066 Hanover lost his license. Placed on probation were were Arthur Leon Irwin of 638 Templeton avenue, and Ted Herbert Pollak 99 Field Crest.

The list from San Mateo county contained names of 27 violators.

Plans Completed For Vacation School At Grace Presbyterian

Grace Presbyterian church's vacation school opens Monday, June 22, at 9:30 a.m.

The school is designed to take care of kindergarten and juniors. Final arrangements were made last Wednesday at the home of Mrs. William Harberts. Assisting in the instruction will be: Mrs. George Day, Mrs. Phillip Hartman, Mrs. Neil Maybie, Mrs. George Naylor, and Mrs. L. E. Yule.

Several other teachers will be available for special sessions.

Services in the church will be held Sunday at the usual hour. A special Lateran Day service will be observed also.

Ocean View Christians Plan A Busy Sunday

The Ocean View Christian church, 107 Sagamore street (upstairs), opens with Bible school at 9:30 a.m. next Sunday. The young people who attended Youth Conference at Aptos this past week will give reports of Conference activities. Our minister, Howard Pat McConnell, was conference pastor.

At the morning worship hour Rev. McConnell will speak on the subject "The Darien Peak of Character."

The Chi Rho and C.Y.F. youth groups will meet in the evening at 7 o'clock under the leadership of Mr. and Mrs. Harold Emmert and Mr. and Mrs. Keith Sigars. The place of meeting is to be announced at the morning worship hour.

Bible study Thursday, June 25, will be held in the home of Mr. and Mrs. Sokol and Mrs. Rae Baine, 332 Wilde avenue.

The annual congregational and official board meeting will be held at the Pilgrim Congregational church, 400 Randolph street, at 7 p.m. starting with a pot-luck dinner. New church officers for the year 1953-1954 will be elected.

School Teachers Party As School Year Closes

The teachers of the Colma and the Benjamin Franklin schools were entertained the last week of school at a dessert luncheon. The executive board members of the Hillside PTA were the hostesses.

Guests from Colma school included Miss Marjorie Tobias, principal; Mrs. Diantha Branen, Mrs. Louise Plumb, Celeste Clark, John Laycock, Ed Mosconi, Jess Parks, Dan Przybyla and Miss Louise Jackson.

Teachers of the Benjamin Franklin school who were entertained on Thursday were: Gordon Walters, Miss Joann Frisk, Darwin Howe, Dean Harkness, Don Pagani, Miss Sandra Huggins and Mrs. Helen Muller.

The school regrets the loss of Mrs. Diantha Branen who is leaving for Germany to be with her husband who is stationed there.

Mrs. Louise Plumb is leaving this year after teaching for forty years.

OLPH MOTHERS INSTALL OFFICERS AT JUNE 10 MEET

Last Wednesday evening, June 10, Mrs. Mervin Cresta, president of Our Lady of Perpetual Help Mothers' club, handed her gavel to Mrs. Louis Thiebaut, the newly elected president for the year 1953-54. Mrs. Thiebaut, in accepting her office, particularly noted the successful year of Mrs. Cresta and joined the club in a warm acclaim to her. The lovely candlelight installation ceremony was presided over by Mrs. William Elroy Thomsen and Mrs. Fred Klingler, the first and second presidents of the club. Other officers installed were Mrs. Tony Ricci, vice-president; Mrs. William Carrington, recording secretary; Mrs. Milan Stanley, corresponding secretary; Mrs. Charles Tabor, treasurer: Mrs. Garth Salade, financial secretary; Mrs. James Traynor, auditor.

Hospitality and refreshments for the occasion were by the 5th and 7th grade mothers—with decorations by the respective teachers and students. Fathers William C. Stewart and Joseph O'Reilly as well as the Sisters of St. Joseph of Orange attended the installation ceremony.

Mrs. Thiebaut is the mother of two lovely girls, Charlotte and Francine, both of whom attend O.L.P.H. school. Mrs. Thiebaut has been a resident of Daly City all her life and is the first president to have graduated from OLPH school. Mr. Thiebaut, her husband, is practically an honorary member of the Mothers' Club, always willing to lend a man's hand when necessary and is particularly noted for his artistic work as displayed in the recent fashion show stage scenery.

OUR LADY OF PERPETUAL HELP Mothers' club installed new officers recently. Standing, from left to right, they are: Mrs. Garth Salade, Mrs. Charles Tabor, Mrs. Milan Staneley, Mrs. Louis Thiebaut, Mrs. Marvin Cresta, Mrs. Tony Ricci, and Mrs. William Carrington.

SOUTH CITY POLICE RELEASE LOCAL MAN

A man giving the name Patrick M. Harrison of Daly City was released from the South San Francisco jail on $250 bail and ordered to appear in court June 23. He is charged with drunken driving.

Games, Prizes And Fun On Tap Monday For The Marchbanks Carnival

Step right up girls and boys and witness a really spectacular event. Yes, strange things will be happening at Marchbanks on Monday, June 22. You've had playdays, picnics and olympics but this will top them all. On this occasion, Marchbanks will launch, for your pleasure, something different in the way of activities. For one day and one day only we will capture the hustle and bustle, fun and excitement of the Carnival Days. There will be games to test your skill and prizes for the winners. There will be good solid food and goodies for your appetites.

To keep in the spirit of things we ask everyone to wear some sort of costume, whether it be a pair of Mom's dainty slippers or a pair of Dad's size twelves.

So hurry, hurry down to Carnival Day at Marchbanks. Don't forget we'll be seeing you Monday, June 22. Everyone wearing a costume will be given a prize with a special award for the best costume.

Two Youngsters Hurt In Weekend Mishaps

Two Daly City infants received cuts and bruises when they fell from a car and window, respectively, over the week end.

Treated at Junipero Serra hospital were two-year-old Donald Cross of 445 Santa Barbara avenue, who fell out of his bedroom window, 11 feet to the rear yard at 8 p.m. Saturday. Police said the youngster had been put to bed and decided to push a window open, falling out in the attempt.

Also suffering minor hurts was four-year-old Robert Verducci, of 770 Westdale, a nephew of Councilman Joseph Verducci. The child fell from a car on Lake Merced boulevard, also Saturday.

"The Great Waltz" Opens At Curran Theatre July 6th

"The Great Waltz," starring Dorothy Kirsten and John Charles Thomas, opens at the Curran Theatre, Monday evening, July 6, as the second event of the 14th annual festival of the San Francisco Civic Light Opera. It will play for four weeks, with performances nightly except Sundays; matinees on Wednesdays and Saturdays. Mail orders are being accepted.

The most popular work in the light opera repertoire of the world, "The Great Waltz" is being presented in a new exciting production by Edwin Lester, general director of the Civic Light Opera. The score is by Johann Strauss, with musical adaptation and supervision by Erich Wolfgang Korngold, foremost authority on the music of the great Viennese composer.

This will mark the Civic Light Opera debut of Dorothy Kirsten, one of the most glamorous stars of the Metropolitan and San Francisco Opera companies. Playing opposite to her Countess will be the distinguished John Charles Thomas, as Strauss, Sr., who has been identified with the Civic Light Opera since its inception.

Supporting these two great stars will be Bill Shirley and Florence Henderson, as the two young lovers; Sig Arno, Eric Brotherson, Fred Essler and John Banner, as a quartet of comedians; Ralph Morgan and Virginia Gibson, as the dancing comedienne of the operetta. Musical direction is by Arthur Kay.

Remaining events on the Civic Light Opera festival are "Carnival in Flanders," opening at the Curran, August 3, and "Kismet," a world premiere, starring Alfred Drake, opening at Curran, September 14. Mail orders for these attractions are now being accepted at Curran.

REPORT SHOWS FEW ILLNESSES IN DALY CITY

Fifty-nine cases of illness were reported to the San Mateo County department of Health and Welfare during the month of May according to the latest report from that office.

The leading disease was mumps with 20 cases reported. Next came measles with 10. Nine cases of chicken pox and eight cases of German measles were reported. There were two cases of tuberculosis, and single cases of leptospirosis and salmonellosis.

TRAILS THROUGH TRASH

If the unsightly accumulation of rubbish tossed from passing vehicles continues to grow, highways will become mere trails through trash and tin-cans, particularly along city approach routes. The California State Automobile Association advises motorists to carry a paper bag or other receptacle in the car in which to place bottles, cans, papers, cartons and other discarded items. This collection of trash should then be disposed of properly at the end of the day's drive.

The Yukon river, which flows into the Bering Sea, is approximately 1800 miles long.

When we came to the West, we found out...
Gas and electricity are cheap in California
say the John Brodas, of San Jose

How P. G. and E.'s low rates save the Brodas money
In their comfortable San Jose home, the Brodas use these appliances to make life more pleasant:
The Brodas' P.G.and E. bill (recent month) $9.57
In their former home the same amount of electricity and gas would cost . . $16.02
16A-W-653
In 1951, when they came to California, the Brodas discovered the low cost of gas and electricity here. Like many other newcomers, they pay far less for these utilities than in their former home. Actually P. G. and E. rates are lower than in 1938. Let this bargain gas and electricity lighten *your* work, add to your leisure.

Village Notes

By
MRS. MARK SWOVERLAND
PLaza 5-4158

Things have calmed down a little from last week but we do have things to report to you.

Washington

Welcome to Dr. and Mrs. Terry and four children, newcomers to Broadmoor.

Village Lane

Sharon Scovel was four years old June 16 and eight of her little friends were on hand to wish her happy birthday at a party given in her honor.

It was an eighth birthday for Bonnie June Sisk June 19 and 14 guests were present at her party.

Sherry Sisk was guest of the R. A. Scovel's on a trip to Chico to visit Mrs. Scovel's mother last weekend.

Garden Lane

Dick Manning has returned to the service.

Dick Berkstresser has returned home for the summer and is now employed at the Western Auto Supply.

MacArthur

Carolyn Monks was six years old June 10. She and her friends celebrated on June 13 with a party. Nineteen were in attendance.

Sweetwood

Mr. and Mrs. Edward Raymond celebrated their tenth wedding anniversary on June 5.

Mrs. Susanne Conn is home after several days in the hospital. We are all wishing her a speedy recovery.

Foothill Drive

John Guz is spending two weeks visiting his aunt and uncle in Eureka.

Manila

Mr. and Mrs. Jerry Bonner and three sons have moved to Greenbrae in Marin.

Midway

Mr. and Mrs. Ray Carrigan and children, Susan and Jean, have moved to Santa Rosa.

Louvaine

Mrs. J. Warmoth entertained her cousin, Mrs. Cari Kolbo, who arrived for a visit along with her four children. They reside in Redman, Wash.

Midway

It's a belated Happy Birthday to Wade Locke who had a birthday on May 29. The following attended his party: Marian and Doug Fish, Katie & Keith Droullard and Kay Carlos Mattson.

Bradley

Shirley Peeler left last week to visit her aunt in Dallas for the summer.

It's a new baby girl for the L. C. Chausse's Jr. who arrived June 14 at the Franklin hospital.

Legion News

Broadmoor Post 824 held their annual picnic Sunday, June 14, at the San Mateo Memorial Park.

Post 824 presented knapsacks to the two boys who sold the most poppies made by the Veterans. The boys who won were Philip Green and Harry Jacob.

Scouts

Girl Scout Troop 19 with Mrs. G. Luckett, leader, and Mr. and Mrs. Golladay and Mrs. Benedict spent a weekend at the Russian river camping out. A good time was had by all even though two arrived home with poison oak.

Den 8 of the Cub Scouts met at Jefferson high school Monday, June 15, and had a wonderful time swimming.

Nursery School

Broadmoor Nursery school held a noon picnic dinner for the mothers and children June 12 at the San Bruno park. This was their last activity before the school closed for the summer.

NEW ARRIVALS

JOHANNSEN—May 28, to Mr. and Mrs. Milo G. Johannsen, 56 San Pedro avenue, a daughter.

KIEFFER—June 4, to Mr. and Mrs. Joseph L. Kieffer, 835 S. Mayfair avenue, a son.

ROSSANDER—June —, to Mr. and Mrs. Carl Rossander, 181 East Vista avenue, a son.

CAFFEJIAN — June 6, to Mr. and Mrs. Albert Caffejian, 144 Hillcrest drive, a son.

MEYERS—June 1, to Mr. and Mrs. Francis Meyers, 254 Abbott avenue, a daughter.

BIZZO—June 2, to Mr. and Mrs. Robert Bizzo, 29 Westdale avenue, Daly City, a son.

MURRAY—June 4, to Mr. and Mrs. James P. Murray, 20 Windsor drive, Daly City, a daughter.

RUIZ—June 5, to Mr. and Mrs. Julio Ruiz, 407 Bellevue avenue, Daly City, a son.

WRIGHT—June 11, to Mr. and Mrs. George Wright, 199 Del Mar avenue, Daly City, a son.

DAVIS—June 10, to Mr. and Mrs. Donald L. Davis, 190 Edgemar street, Daly City, a son.

FOLLOW THE LEADER

Drivers who can resist the passion to pass the car ahead find it a good policy to follow an intelligent pace setter, according to the National Automobile Club. Within limits, they let the other fellow do their thinking. It requires staying far enough behind for safety and watching for signals.

LOCAL GIRL SCOUTS SPEND WEEKEND AT THE RUSSIAN RIVER

Girls Scouts of Mariner Troop Four were the guests of Mr. and Mrs. Claude Hanrahan last week at Summer Home Park on Russian river.

Miss Barbara Delucchi accompanied the girls as lifeguard.

Leaders of the group are Mrs. Ray Taylor, and Mrs. John Hansen who were along also.

The Hanrahans were residents of Broadmoor formerly.

Washoe, place of a few old crumbling buildings in Nevada, was the largest town in Nevada when that state was admitted to the United States, according to the National Automobile Club.

SHERIDAN PTA SEWS AT OCEAN VIEW REC

The Sheridan PTA will hold the first of their summer sewing meetings on Thursday, June 25, 1953, at 12 noon, at the Ocean View Recreation playground club house. Luncheon will be served. Mrs. Everett Hale and Mrs. Paul Rau are the hostesses for this month.

Sewing for the fall bazaar is the project of the summer sewing meetings. All members and their friends are invited to attend. There is plenty of space for the children to play, so bring them along.

On the highway, carelessness can kill, points out the National Automobile Club.

LOCAL TEACHER MARRIES IOWAN; WILL LIVE HERE

At 7:30 p.m. Sunday evening, June 14, Miss Joan Hopman and Mr. Richard Greene were married in the presence of two hundred relatives and friends in the Geneva avenue Methodist church, Geneva and Vienna street, San Francisco. The ceremony was performed by Dr. Joseph Moore in a beautiful setting of white carnations, stocks and gladioli.

Given in marriage by her father, Mr. Ted Hopman, the bride was attired in a gown of chantilly lace with a fitted bodice and a nylon net bouffant skirt. She carried a prayer book with an arrangement of white orchids and lilies of the valley. Her veil was a fingertip length nylon net with a beaded crown.

In the maid of honor role was Miss Mildred Stevenson of San Francisco, and the bridesmaid was Miss Catherine D'Amico of San Francisco, both college chums of the bride. The maid of honor was dressed in a pale blue dress, lace bodice and bolero and nylon net bouffant skirt. The flower girl, Margie Haver, wore a matching outfit. The bridesmaid had the same style dress in a lilac shade. They all carried matching carnation nosegay bouquets.

Best man duties were performed by Elbert Belk of Mississippi, a shipmate of the groom. Dick Hopman, brother of the bride, acted as usher.

The reception was held immediately following the ceremony in the church social hall, where sandwiches, punch and relishes were served. The reception rooms were beautifully decorated in white crepe paper, wedding bells and flowers. The receiving line stood next to a four tier wedding cake.

Mrs. W. H. Martens of Missouri Valley, Iowa, an aunt of the groom, made the trip to California to attend her nephew's wedding. She wore a navy blue crepe dress and matching accessories.

Mrs. Ted Hopman, mother of the bride, wore navy blue lace over light blue satin with blue and navy accessories. Both ladies wore pink carnation corsages.

After the traditional cutting of the cake, Mrs. Greene changed to her trousseau suit with pink accessories. The couple left on a ten day trip to Montana and Yellowstone Park.

Joan is the daughter of Mr. and Mrs. Ted Hopman of Garden Village, Colma, and Dick is the son of Mr. and Mrs. Glenn Greene of Missouri Valley, Iowa.

On their return the couple plan to reside in Daly City, and in September, Mrs. Greene will resume her teaching position at Woodrow Wilson school.

LOCAL RESIDENT TO FACE JUDGE JUNE 23

Albert McDaniels, Jr., 24, 561 Hillside Bvld. was released from jail Monday on $150 bail on the charge of operating a vehicle while under the influence of liquor.

Arresting officer Henry Sunderson reported that McDaniels' car had been pursuing an erratic course several blocks up Mission street previous to the arrest.

Municipal Judge Thomas L. Bocci set June 23 as the date for trial.

Mr. and Mrs. Patrick O'Leary have the bride's cousin, Jackie Curtin, come between them in a recent wedding picture. The couple will make their home in New Mexico where he is stationed with the air force. She is the former Kathleen Curtin.

New Families Moving Into Daly City Recently

The following are new residents of Daly City:

Charles Scardaci, 572 Bellevue avenue.

Louis A. Buehel, 119 East Moltke street.

Artie Nielson, 751 Hillside boulevard, apt. 67.

John E. Dennis, 19 Fairmont drive.

William H. White, 342 Glenwood avenue.

Frifone J. Bruno, 88 Westmont drive.

Vincent Palisi, 397 Glenwood avenue.

Beacher Barg, 267 Los Olivos avenue.

Richard Anderson, 10 East Lake street.

Juan Roa, 189 Alexander avenue.

Anthony J. Mello, 450 Parkview avenue.

Irene Heikklia, 370 Hillside boulevard.

Dexter Woods, 660 Hanover street.

Elvon J. Knopp, 1055 Hanover street.

Donald C. Bradley, 260 Abbott avenue, apt. 5.

N. Coums, 27 Woodrow street.

Thomas C. Eichner, 296 Northgate avenue.

Edward H. Mann, 11 Eastgate drive.

George Bushman, 73-A Los Banos avenue.

Curtis Shaffley, 928 Brunswick street.

George F. Moses, 139 Frankfort street.

Lloyd Alexander, 50 Parmo St.

J. Cirimelli Jr., 388 Winchester street.

H. V. Ridgway, 743 Hillside boulevard, apt. 56.

Thomas L. Wortz, 198 Vista Grande street.

SF STATE DAMES CLUB WILL HOLD "ALOHA FASHIONS"

The San Francisco state college Dames club is presenting an "Ahoha Hawaii" fashion show. The fashions will be shown by Diane's dress shop.

The show will be held at the Frederic Burk auditorium, 124 Buchanan street, on June 27 at 2 p.m.

There will be several door prizes.

The tickets may be obtained by calling Mrs. John Van Derslice, JUniper 7-9406.

The Dames club of San Francisco state college is a chapter of the National Association of University Dames. The members include wives of college students and married women students.

Mrs. Marion Byrnes is the committee chairwoman, and is assisted by Mrs. Pauline Vogel, Mrs. Helen Warner, Mrs. Annette Van Derslice, and Mrs. Marjedean Spittler.

FOR FUTURE REFERENCE

In case of a collision, take the other motorist's number, even if apparently no damage has been done to either car, advises the National Automobile Club. It frequently happens that the closest scrutiny will fail to reveal any effects of the accident, but when the car is driven fairly serious damage may show up.

Announce New Time Schedule At Daly City Library

Henry Sundermann, president of the library commission, today announced that effective July 1st, the Daly City library will operate under a new schedule.

New hours recently approved by the City Council are: Monday through Friday, 10 a.m. to 9 p.m. Saturdays the library will be open from 10 o'clock in the morning until 5 o'clock in the evening. The library is closed on Sundays and holidays.

Sunderman expressed the opinion that the new hours would allow everyone to get the benefit from the library, and hoped that it would help keep the children off of the streets.

Previously the library had been open from 1 p.m. to 5 p.m., and from 6:30 p.m. until 9 p.m. The change in schedule will make the library available to the public an additional four and one-half hours per day.

Women Of The Moose Will Hold Two Meetings Soon

Chapter No. 739 Women of the Moose will hold their regular meeting on June 25 at 8 p.m. at 26 Seventh street. Initiation of co-workers will take place. Refreshments will follow. Catherine Stitz will be chairman for the evening.

On Sunday, June 28, at 1 p.m. the annual installation of officers will take place at Moose hall, 859 O'Farrell street.

Scheduled to be installed are: Betty Lavagnino, junior graduate regent; Beulah Miller, senior regent; Viola Fontes, junior regent; Gladys Sisca, recorder; Marion Schreiber, chaplain; and Dorothy Sciacca, treasurer.

Social Workers Find Fun; John Mongan On Arrangements Com'tee.

John Mongan of Daly City was a member of the arrangements committee who prepared the Family Reunion program which was held Tuesday in the Peninsula YMCA in San Mateo.

The Family Reunion is an annual event which is conducted for fun for the Council of Social Workers, a Red Feather organization. This year's fun day was the fifth in the series.

Unit No. 48 LAFR Report Activities

Unit 48, Ladies' Auxiliary Fleet Reserve, has been busy in the recent past.

Early in the month the patients at Fort Miley hospital were entertained at a bingo game given by the ladies.

A few days later, the Ladies' auxiliary journeyed to Treasure Island where they enjoyed a dinner given at the Chief Petty Officers' club.

Among those present were: Mr. and Mrs. Joseph Derdzinski, Mr. and Mrs. Leo LaBelle, and Mr. and Mrs. William Shea.

ELIO JOHN ABRAMI TAKES BRIDE IN 2 P. M. CEREMONY

Elio John Abrami of Daly City took Eileen Foss of Berkeley for his bride Sunday afternoon at two o'clock before 200 guests in the Methodist Trinity chapel.

Mrs. Abrami chose an ice-blue ballerina-length wedding dress, wore a finger-tip veil. She carried a bouquet of lillies-of-the-valley and orchids.

Matron-of-honor was Mrs. Arthur Foss Jr. who was gowned in a coral, nylon-net dress. She is Mrs. Abrami's sister.

Flower girl Judy Romani wore a white and coral nylon dress, and carried a bouquet of white carnations. Her father, Romie Romani, the bridegroom's brother-in-law, was the best man.

Clifford Kaul and Arthur Foss Jr. were ushers. All the men wore white dinner jackets.

Mrs. Arthur Foss Sr., mother of the bride, was attired in a navy blue crepe dress. The bridegroom's mother wore aqua.

After the wedding a reception was held in the home of the bride's parents, and 250 relatives and close friends were entertained.

Mr. Abrami was graudated from San Jose State college last Friday. He will teach at Berkeley high school beginning next September. The couple will reside in Berkeley.

Richard Iori Wins USF Scholarship; Others Honored At Graduation

Richard Iori has been awarded an honorary scholarship to the University of San Francisco. He is a Junipero Serra graduate of the class of '53.

Other awards handed out at the graduation exercise were: Thomas Nelson, medal for general scholarship excellence, and religious medal; Richard Pena, the Bausch Lamb Honorary Science award; Bernard Reichmuch, activity medal for seniors; and Michael McGee, dramatic medal.

Life memberships in the California Scholarship Federation were presented to Walter Belsenhehl, Thomas Nelson and Robert Owens. They won Phi Beta Kappa honor awards also, along with Thomas Murray and Stephen Wald.

Iori won the Sportsmanship medal also.

Heart Association Holds Meeting To Elect New Officers

The San Mateo County Heart association held its annual business meeting last night (Thursday) at 8 o'clock in the Health & Welfare building on 37th avenue (on Community hospital grounds), San Mateo.

Chairman of all standing committees made reports at the meeting and new officers were elected.

Thornton Beach Party Slated Next Wednesday

Heading the list of Recreation department summer events is the poular Thornton beach party to be held on Wednesday, June 24. Plans are now nearing completion for a gala day complete with soft drinks, hot dogs and games. Recreation directors will be on hand to supervise all activities.

All those interested in the beach party should contact their playground leader for all the necessary information.

Programs describing all the summer activities are available at all playgrounds and the community center. You may have yours if you will visit your playground and ask the director for one.

"The Merry Widow" Tryouts Are Ended

Casting for the Peninsula Operatic Productions version of the "Merry Widow" ended last night (Thursday) at 10 o'clock in the Beldwin Campus auditorium of the San Mateo junior college.

Members of the show will be between 16 and 27 years of age.

Prior casting had been very satisfactory for both vocal and orchestra parts. New persons were given preference at last night's tryouts.

Clyde Jackson, president of the board of the non-profit organization, expressed the opinion that "The Merry Widow" is an especially desirable operetta to present because it offers a number of important roles. He emphasized that the orchestra has been most important in the operetta's repeated success.

Rehearsals for the operetta will begin as soon as the members of the cast are listed publicly.

Ocean View Playground To Be Scene Of First Sheridan PTA Picnic

The first summer picnic for Sheridan PTA members and their friends is to be held at 11 a.m. on Wednesday, July 1, at Ocean View playground. Mrs. Leslie Dilworth, recreation chairman, and Mrs. Joseph Booth, co-chairman, are in charge. Plans for future summer picnics will be made at this time.

NEW LOWER AUTOMOBILE INSURANCE RATES FOR PREFERRED MOTORISTS

San Francisco and Daly City as low as $59.00 for $5/10,000 P.L. & $5000.00 P.D. Plus 10% return dividend when policy expires. Rates outside S. F. & Daly City even lower.

Can you save on automobile liability insurance? Test yourself against the situations listed below. If you believe you qualify as these people have, and if you have a good driving record, you owe it to yourself to investigate the savings possible under our plan. This new rate schedule is offered to preferred California automobile owners through American Motorists Insurance Company, Chicago, a member of the Kemper Insurance group.

Do You Qualify?

Mr. R. R. D.—Businessman. Uses car for pleasure and driving to and from office. He and his wife are only drivers.

Mr. E. F. H.—City automobile owner who uses his car for pleasure, driving considerably less than average annual mileage. He and his wife, aged 35 and 30 respectively, are the only drivers of the car.

There is ample evidence that certain types of automobile owners have fewer or less-costly accidents than others. These findings are reflected in the new rates we are offering.

Through us you receive a standard automobile liability insurance contract **plus** nationwide and local service.

You get nationwide claim service through 92 branch claim offices and hundreds of claim representatives throughout the United States and Canada. You get our personal service as your local agent.

When you want insurance advice of any kind, we are nearby to give you the best of service.

Substantial savings also possible on Collision and Comprehensive Coverage at 20% current dividend.

PENNANT CHASES GET UNDERWAY THIS WEEK--TWO TEAMS ENTERED

Two local baseball teams swing into action this weekend.

Representing Daly City in the Northern division of the senior Peninsula baseball league is Ralph's Cleaners who meet the Millbrae Merchants on the Jefferson high school diamond at 2:30 Sunday afternoon.

Ralph is a well-known patron of amateur sports in the area.

Since Lou Martin is on vacation, the roster was not available as THE RECORD went to press.

Tomorrow (Saturday) the Westlake Rockets, a team of youngsters from Daly City meet the South San Francisco Windbreakers on the Orange avenue diamond in South City.

The Rockets roster:

Eddie Leveroni, Andy Ruelas, Tony Stagnaro, Jackie Bautista, Al Long, Jim Beaton, Walt Rogers, Leroy Franzoia, Paul Tapia, Bill Massoni, Jim Rasmussen, Gus Sakaldassis, Lou Arigghi, Bob Lara, Phil Daniels, Jim Giblin, Ron Bloom, Bob Brandt, Myron Kay, Duncan Scaife.

In addition to the game with the South City Windbreakers, the Rockets will play the following games:

Saturday, June 27, Sharp Park at Sharp Park.

Saturday, July 11, Burlingame Optimists at Jefferson high.

Saturday, July 18, bye.

Saturday, July 25, San Bruno Lions at Jefferson high.

Saturday, August 1, San Mateo Elks at San Mateo high school.

Saturday, August 8, Millbrae at Jefferson high school.

All of these games are scheduled for 10:30 in the forenoon.

Ralph's Cleaners schedule is as follows:

Sunday afternoon at 2:30, Millbrae Merchants at Jefferson high school.

Sunday afternoon at 2:30, San Mateo's Bohannon Yanks at Jefferson.

Sunday afternoon, July 5, Snappy Cleaners at Fitzgerald field.

Sunday afternoon, July 12, Sharp Park at Sharp Park.

Sunday afternoon, July 19, Burlingame Inn at Washington field.

Sunday afternoon, July 26, Ellingson's (San Bruno) at Jefferson high.

Sunday, August 2, bye.

The winner of the Northern Division championship will meet the Southern Division champions for the League pennant. Senior division games begin at 2:30.

Sarto's Decisioned By Jewelry Nine In Sunday Game

Molkenberg Jewelers of San Francisco took the measure of Daly City's Sarto AC 8-5 in a game played Sunday on the San Mateo diamond.

Although no official box score was kept of the game, Coach Hugh Cronin of Sarto's kept an eagle eye on his men.

	ab	r	h

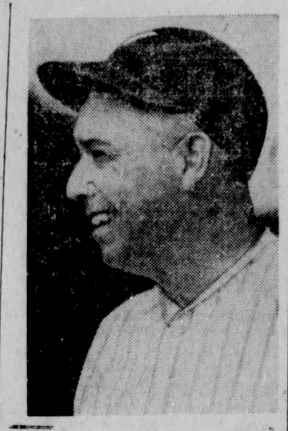
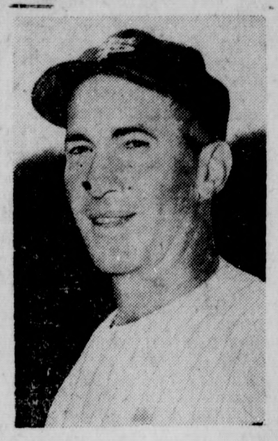
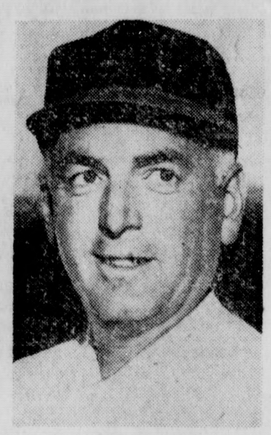
Next game to be played by the local team will be Sunday afternoon at 2 o'clock, as The Record went to press, the opponent was still unnamed. The game will be played at Marchbanks field.







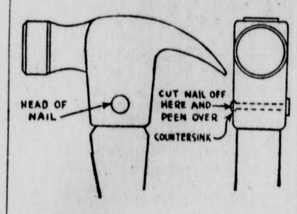
OSCAR VITT heads the baseball faculty which will tutor Daly City boys on the fine points of the game. He is assisted by JOE SPRINZ, Seal coach, GEORGE WOLEMAN, Mission high coach, and BOB PATJO, Bellermine of San Jose coach. The men will be in the Daly City area next Thursday. There will no charge for their tutalage which has been arranged for by the San Francisco Examiner.

Great forests of white pine once grew in the Eastern part of the United States.

Handy Jim's FIXIN-UP TIPS For Farm and Home

Holds Head Tight

A HAMMER head won't fly off if you follow the illustration and drill a hole completely through the head and handle. Then use a



nail as a rivet. If the handle requires removal, for some reason, cut off the nail head with a cold chisel and push out the nail with a center punch.—Illustration courtesy *Family Handyman*.

BASEBALL SCHOOL TO BE HELD HERE AT MARCHBANKS

A faculty of some of the sport's most renowned figures will be on hand Thursday, June 25, at Marchbanks park for the baseball school to be held for Daly City youngsters, 15 years old and younger.

Boys wishing to sign up in the Examiner's baseball school will find cards for the purpose at Pete Markovich's, 6454 Mission street. Read details in story.

Instructing the aspiring bigleaguers in the basic aspects of the great American game will be Oscar Vitt, former Detroit third-baseman; Joe Sprinz, Seals coach under Tommy Heath; George Wolfman, Mission high school coach; and Bob Fatjo, Bellarmine preparatory coach.

The school will be held from 2 to 4 in the afternoon at the local park.

Purpose of the school is to teach youngsters the fundamentals of basball and to build up interest in the game.

This is the eighth year the school, conducted by a Metropolitan newspaper, has been in existance.

Pistol Team Loses To Broadmoor Cops

Harry Brown's 244 paced the Broadmoor Police reserve to victory over the Daly City Special Police reserve in a pistol match held Sunday at Ottoboni's pistol range.

High for the losers was Jerry Galindo with 217.

This was the first competition of its kind ever held between the two units and must be considered a success both from the scores posted and the number of men shooting for each team.

An early re-match is being sought by the Daly City team, and they are confident that next time it will be different.

Broadmoor scores were: Brown, 244; William Tubbs, 230; Charles Hazen, 228; Bob Williams, 207; Maurice Ray, 192; Clinton Pierson, 189; George Brandt, 159; William Watts, 144; Ray Coppola, 120; and Art Schricher, 112.

Daly City scores were: Galindo, 217; Wayne Carr, 201; Sam Sturdevent, 197; Stanley Thomas, 194; Vince DeBono, 191; Frank Bach, 181; Robert Murchison, 147; Verne Simpson, 124, and Robert McCreery, 117.

Members of both regular police departments were on the scene and took their hand at shooting. Gerald Schaeffer posted a 214, and Dick Phillips a 204 for Daly City.

Ray Savage shot a 238, and Gale Galush 140 for Broadmoor. These scores had no effect on the total outcome of the match.

FUEL PUMP

The fuel pump on your car loses efficiency due to wear and ordinary deterioration, says the California State Automobile Association. It may seem to be working perfectly under ordinary driving conditions but fail completely when operating at high speed or on mountain roads. This is why a fuel pump that appears to be losing efficiency should be replaced before starting on a long trip.

Sgt. Farras Wins Silver Star For Deeds In Korea

A Daly City man was recently awarded the Silver Star.

He is master Sergeant Jimmie S. Farras of 430 Irvington street.

Sergeant Farras was cited for gallantry in action, outstanding devotion to duty and credited with the saving of the lives of many wounded men. He did all these things while under enemy fire in Korea. Master Sergeant Farras is an army career man who has seen 12 years service with the infantry. He is due to be rotated from Korea in August.

Jimmie S. Farras

The nephew of John Sacaldasis, Sergeant Farras resides at the Irvington address with his wife Ellen, and her parents, Mr. and Mrs. Jim Pappalios.

TRAFFIC NEUROTICS

The pressures and stresses of modern life, especially in large population centers, place a heavy strain on the nervous system. Congested streets and highways add to the tension, so it's easy for a driver to become a traffic neurotic—an always ready-to-blow-up human bomb behind the wheel. Learn to take it easy, says the California State Automobile Association, and avoid nervous crack-ups that may lead to smash-ups.

Hints On Culture Of Two Similar Plants

By Shirl Mollette
Daly City Garden Club

Azaleas and Rhodendrons are not clearly separable by modern botanists as they essentially have the same basic cultural requirements. They are not plants that can be planted in any average California soil.

Since they are relatively slow growing and not inexpensive and as their blooming period is over and they should now be cheaper in the local nursery, I felt it was a good time to bring them to your attention.

In buying, careful attention must be given to several important requirements if your plants are to remain healthy and give a pleasing appearance.

The location and exposure is important. Avoid exposure to full afternoon sun and broken sunlight from high tree foliage is ideal. Plants which are grown in adequate light have much denser and more attractive habit of growth than those grown under excessive shade.

The rule to be applied is to give as much light as possible without detrimental effects to the foliage. An eastern exposure is ofen highly advantageous. Protection from prevailing winds is also essential to the welfare of these plants but in a location well sheltered by house and walls excellent plants have been grown in gardens near the seashore.

Acidity Important

Since many California soils possess many characteristics unfavorable to these plants care must be taken that the growing medium has proper acidity and nutriment and is well drained and areated. It is usually best to furnish a new prepared growing medium rather than to attempt to amellorate the existing soil as is often done.

Where soils are sandy and porous and the sight provides natural drainage it is possible to prepare beds which are at soil level, but since alkaline material may often be carried into the soil this method is usually safer to prepare raised curbed beds which are at least eight or ten inches above the surface.

Such beds provide excellent drainage needed by these plants. Since they are not deep rooted excavating of the soil or overly deep beds are not required. Perfect drainage is an important requirement of these plants. They also require best possible soil areation and will not thrive in fine textured or compacted soils. Regardless of the materials used for the growing medium there should be sufficient coarse material, either peat moss, leafmold, pea gravel or coarse sand. To aid in providing good areation the coarser the textured grades of peat moss and leaf mold is to be preferred when obtainable. These plants will not tolerate accumulation of excess water about the roots. Poor drainage and over watering are among the several causes of the "chlorasis" or yellowing leaves which is common trouble with azaleas and rhodendrons.

Range of Mixture

The range of soil mixture in which these plants can be grown is very wide. There are excellent plants to be seen that are growing in pine needles, peat and sand, stems from raisin packing plants and sphagnum moss. Leaf mold of good quality mixed with sand can be used but unfortunately the salt content of some leaf molds available is high for azaleas.

Peat moss is often the most practical and easily available material in which to grow azaleas. The coarser grained peamoss are preferable. Canadian, Danish, Swedish, Holland and German are available and all are usuable. All are acid in reaction.

The addition of about one-seventh part of pea gravel perlite or very coarse sand will be helpful in improving areation and drainage.

Another advantage is that such mixtures are somewhat easier to water when dry than peat alone. One disadvantage of the latter is that if the material dries out excessively it is somewhat difficult to wet again.

Planting depth is important and the thing to avoid is planting deeper than the original line of the crown. Allowance should be made for the settling of the growing medium which should be firmed well by tamping after planting the area and settled by gentle watering.

No Tool Cultivation

Azaleas and rhododendrons are surface rooted plants and the soil should never be cultivated with tools. Weeds should be removed carefully by hand. The addition of a mulch of a suitable organic material is widely used and is generally helpful. Mulching can be overdone as it will result in damage to the crown of the plant. Over-mulching gives the same result as deep planting. Mulches can consist of leaf mold, ground corn cobs, bean straw, pine needles or peat.

The watering of azaleas should be done thoroughly as needed since they are not deep rooted plants. Long irrigations are not needed. However more water is required than is actually needed to wet the growing medium since only in this way can a build-up of injurious salts be prevented. Occasional syringing of plants' foliage is beneficial in warm weather.

Have A Good Vacation But Remember . . .

The San Mateo County Department of Public Health and Welfare has some tips for the vacationer this summer. Here they are:

1. Avoid sunburns—not only are they painful, but injurious to health.
2. Avoid drinking water from unknown sources—creek, unsupervised springs, and rivers. Drink water from recognized sources.
3. Avoid swimming in irrigation ditches, canals, creeks, and rivers that are not regularly set aside for swimming and approved by the health department.
4. Be wary of poison oak; it can spoil a good vacation.
5. Don't eat in restaurants which are not clean and free of flies and other insects; or where food is served on cracked or broken dishes. Do not eat cream products that are not kept refrigerated.
6. Avoid unnecessary fatigue; make it a point to get a good nights sleep.

I've seen enough of 'em—both animal and human—to know that nobody can really win in a cat-and-dog fight.

YOUR NEIGHBORS AND MINE

By Betty Brush

Well neighbors, now that school is out, the weather is at its foggiest. No lunches to make, no hair to comb and put ribbons in, no necks and ears to be sent back to be re-washed. Yep! Vacation does have its good point at that. There were many graduation parties held in our town last week, birthdays and weddings too, so might as well get started telling you about them.

There was a wedding reception and welcome home party held in the honor of MR. and MRS. JAMES BRUSH held in the home of his parents last Saturday night. Among the over 100 guests at this affair were members of the bride's family, some who came as far away as Los Angeles, and most of the members of the groom's family plus numerous friends of both families and of the bride and groom. Colored pictures were taken of the bride and groom cutting their wedding cake which CARL of the RELISH BAKERY set up so beautifully, and many beautiful gifts were received by the young couple. Besides the bridal cake, refreshments were served buffet style and dancing was held in the basement which was decorated appropriately. Many of the boys who grew up with Jim, who are also in the service, were here. Some even went so far as to deny themselves weekend passes for the next two weeks in order to be here for this event. In fact the Army, Navy, and Air Force were well represented. As is usual a good time was had by all who attended. Congratulations and best wishes go to these two swell youngsters from all the neighbors. By the time this is being read, the kids will be packing their bags for Amarillo Air force base where the groom is stationed and which is their home for the present.

Thought For The Week

There is a beautiful new song on the Hit Parade at the present. As all know it is sung most beautifully by Jane Froman who has every reason in the world to put meaning behind the words. What is FAITH? Faith is trust and belief. Trust, not only in one's friends, but in our mode of living. Trust in doing right as we would have the other fellow do right by us. Belief in others as well as in ourselves. They are vulnerable—as we are vulnerable. They want us to believe in them as we want them to believe in us. If we are to be believed, we ourselves must first learn to believe. There is no Faith so firm and so confident as that of a child in it's mother. Where along the way do we lose it? Is it when in the pride of our own importance we can't or won't see the other fellow's viewpoint and thus lose one of life's most precious gifts — FAITH. Life without Faith is is almost impossible. One must have faith in someone, but first and foremost one must have faith in himself. This then neighbors, is our thought for the week.

News and Views

The GOURMETS are in the news again. They went out on the town last week. After touring most of the best spots they ended up at the Papagayo Room. They arrived home tired but happy. The meetings of this group have now ended for the summer but the members are all looking forward to resuming their meetings in the fall. By the way, neighbors, has anyone found out yet just who the gourmets are? If so, let me know as I am just as curious as the rest of the neighbors.

MRS. ANDREW LOPEZ of Theta avenue has been in the hospital and has now returned home. All her neighbors and friends wish her the best of health in the future.

MISS JUDY MARKGRAF of Theta avenue was a lucky little lady for a while Friday. She made it to school in time to get promoted and then came home and by 5 p.m. was in bed with an infected throat. At latest reports she is doing nicely. Here's hoping the rest of her vacation will be a healthy and happy one.

MR. ROBERT O. DUFFY of Los Banos avenue really had it the other night. While coming home from his duties as court clerk in Redwood City, Bob had the misfortune to be in an accident on the Bayshore highway. Fortunately he wasn't injured.

MRS. FRIEDA PEDERSEN, erstwhile mother of the Eagles Auxiliary No. 1848, will be having a birthday on June 21st. As she had many friends among the neighbors, I know she will be wished the best and happiest of birthdays by all.

MRS. PEARL HIGGINS, mother of our well known and well loved Lynne Boskey, is in the Pittsburg Community hospital recuperating from a major operation. She will be there at least a week longer and then will have a long convalescense at home. Cards from all the neighbors can be sent either to the hospital or to Mrs. Pearl Higgins, Box 29, Bethel Island. Thanks neighbors.

Celebrating his first Mass as an ordained priest at Our Lady of Perpetual Help church Sunday was Father Fabian. The church was packed. There was a reception for Father Fabian held in the parish hall and the number of parishioners and friends who came was too numerous to count. All the best wishes of the neighbors are extended to Father Fabian.

Items of Interest

On Sunday, June 15, MRS. JOSEPHINE LAMENDOLA became the bride of MR. HARRY HETTEL at a 3 o'clock ceremony held at Our Lady of Perpetual Help church, the Rev. James O'Reilly officiating. The bride wore a soft grey gabardine suit, pink hat, and carried a prayer book with a white orchid. She wore a white orchid on her shoulder. Her attendants were MR. and MRS. H. BARONE. Mrs. Barone wore a light blue suit with dark blue accessories. After the wedding a reception was held at the home of MRS. COOK of 47th avenue, after which the young couple left on a honeymoon—destination unknown. Congratulations and all the best wishes from all the neighbors are extended to the new Mr. and Mrs. Harry Hettel.

Several of the ladies of our town have packed their bags and are off to San Luis Obispo this week. The convention for the United Ancient Order of Druids opened Sunday, June 15, and will close Thursday, June 18. Among those who left were delegates from Hillcrest Circle No. 143, namely MESDAMES CLARA POKET, WINNIE EVANS, AGNES PRESCOTT, MARTHA WEGNER and MARY CRANE who were the elected delegates. Also making the trip were Past Grand Archdruidess MADELINE FELLOWS and Grand Treasurer GRACE HILL, both members of Hillcrest Circle.

The VFW convention will be held in Oakland this year on June 21. MRS. GRACE HILL of our town will have as house guests MR. and MRS. T. H. RICHARDS and MR. and MRS. TED ADAMS of Sacramento who will be here to attend the convention in Oakland.

DONALD CASAD, son of MRS. LYNNE BOSKEY, arrived last week to surprise his mother with a visit. As usual with boys, he brought a friend, Doug Ruge. He may stay in our town indefinitely and join the ranks of the employed. Hello, Don, from all the neighbors, and we hope you stay with us a long time.

MR. ED STONE of Theta avenue returned from his vacation trip to Minnesota last week. As usual he has gone back to work, which, according to Ed, is not quite as much fun as a vacation. Is it ever? Well he can always look forward to next year's vacation anyway.

MAUREEN and SHARON O'ROURKE, who used to live in our town and will be remembered by many, now live in Millbrae and attend Capuchino high school where they are seen at all the games. Last week they both attended many graduation parties and topped the week off with a slumber party last weekend.

Latest Events

Did you ever see a driverless car going merrily down the street to crash into the side of a house with a loud bang? Well, such an incident happened on Los Banos and Santa Barbara last week. In the first place, if people would park their cars properly there would be none of these unnecessary accidents. In the second place, it was lucky that the accident took place when it did and not a little later when the children were coming home from school at noon. There really is no excuse for an accident of this kind although we all know they are not intentional. There is an ordinance saying how a car should be properly parked on a hill. The police department issues citation after citation and the judges levy fine after fine. There must be some remedy.

MISS JOAN HOPMAN became the bride of MR. RICHARD GREEN at ceremonies held at the Geneva avenue Methodist church last week. The Rev. Joseph Moore was the officiating minister. The

RUTH S. PETERSEN, president of the S. F. chapter of the Choral Directors Guild of California, looks over final plans for the 7th annual choral festival with Suffragen Bishop Henry Shires of Grace Cathedral.

WESTLAKE WOMAN ARRANGES SF's 7th CHORAL MEET

The seventh annual Choral Festival will be held at Grace Cathedral, California and Jones street, according to announcement from Mrs. Ruth S. Petersen, president of the San Francisco chapter of the Choral Directors' guild, and a Westlake resident.

Mrs. Petersen reports that arrangements have been made for Dr. John Finley Williamson of the Westminster Choir school of Princeton, N. J., to be guest conductor. She expects Dr. Williamson to arrive tomorrow (Saturday) by plane for the final rehearsal.

According to Mrs. Petersen, over 300 singers will participate in the festival.

TROUT ANGLERS HAVE LUCK

Trout anglers working the streams of Alpine county have had good luck during the past week, according to the National Automobile Club. Most anglers have been using bait.

FAIR NUMBER OF SALMON

A fair number of salmon have been taken during the past week by anglers on the larger party boats working off the coast of Humboldt county, reports the National Automobile Club.

Your Neighbors And Mine

(Continued from Page 7)

bride wore a bridal gown of white lace over satin and carried the traditional wedding bouquet. Joan was attended by two Matrons of Honor, one bridesmaid and one flower girl. Bestman duties were performed by the brother of the bride. The reception was held in the church reception hall immediately after the wedding and was attended by many relatives and friends of the young couple. Congratulations and best wishes from all the neighbors are with this young couple as they start their married life.

There hasn't been too much heard from the servicemen this week. Nevertheless the Blood Bank is still in business and it is still the best place I know of for deposits. I saw several of the boys who have come home but are still in the service last week. They are all in agreement on the fact that BLOOD is one of the most important things that we can give them. Letters — funny cards — anything that will make them laugh, and you would be surprised how long it takes sometimes, are also appreciated. You don't have to know a boy. If you want to send a card or a letter and have no one to send it to, just phone me at the same old number, PL. 5-6482, and I can give you the name of a boy in any branch of the service that you prefer.

Well, neighbors, this winds up the column for this week. Weddings seem to be the most prominent event at the moment but after all, it is June, isn't it? I hope there is news to interest the neighbors and I am still counting on those phone calls. I'll be listening and writing for you. 'Bye now.

AUTO ENGINEER

Lovely Lucille Pieti, a graduate automotive engineer, is the first woman engineer officially to represent the Chrysler Corporation. Miss Pieti is touring the United States with Chrysler's automotive show, "New Worlds in Motion," which is next scheduled for Milwaukee, Wisconsin, June 19.

The greatest known depth in the Carribbean Sea is 23,748 feet.

SCIENCE and your Health

SLEEP AND SLEEPLESSNESS
by Science Features

The problem of going to sleep at night is one that bothers millions of Americans. These people suffer from insomnia, a condition doctors describe as one of the most common they encounter.

Sleep and wakefulness, says Dr. Nathaniel Kleitman, a University of Chicago physiologist, are governed by two nerve groups in the brain, which he calls the "wakefulness center." Sleep cannot come if this center is disturbed by the activities of the cerebral cortex, the seat of man's intellectual processes of reason, judgment, and the like.

Thus the counter of sheep worries over his inability to sleep, finds this worry itself stimulates the wakefulness center and makes sleep impossible to woo. Of course a person not inclined to chronic insomnia can also be kept awake by unusual fears or cares.

Scientists know that the human temperature rises and falls once every 24 hours. The lowest period is the ideal one for sleep. Since this period can be regulated by the sleeper's habits, it offers a means for the chronic insomniac to cure his condition without recourse to sleeping pills.

To utilize it, says Dr. Kleitman, the insomniac should set a regular hour, whether in the day or night, and retire to bed at that same time every day. Gradually, his body will become accustomed to the habit, his temperature will begin to drop at the appointed hour, and sleep will come with less difficulty.

SHOCK ABSORBER CARE

Shock absorbers may be automatic, but not to the point of replenishing themselves as to the fluid that is needed periodically. Riding comfort and prevention of shock absorber wear are both dependent, according to the National Automobile Club, upon the motorists remembering that he still has the job of attending to the liquid in the spring control devices.

DON'T FORGET THE TOOLS

Before leaving on a motor tour be sure the car carries its full complement of tools, advises the National Automobile Club.

Village Play School Holds Graduation

The Village Play school, cooperative nursery school in Colma, held its graduation exercises on June 11 for its four and a half and five year olds who will enter kindergarten in the fall. The children wore graduation caps and received diplomas. They marched to a gaily bedecked table where the climax of the festivities took place, the serving of ice cream and cake. The Village Play school wishes them the best of luck in the commencement of their formal school career and hopes it has made a little easier the transition from home to community life.

While the younger children bid their playmates goodbye, their parents welcomed new members who will enter their children in nursery school in September, at a meeting on June 3 at the home of Mrs. Lawrence Freiberg in Garden Village.

The new members were introduced to the new officers who will guide the school through its yearly summer fund raising campaign and preside during the fall semester: Mrs. Paul Talbot of Broadmoor, president; Mrs. Ernest Clark of Park Merced, vice-president; Mrs. James Leslie of Park Merced, secretary; and Mrs. Joseph Friedman of Westlake, treasurer. They were also informed of plans for the school's third annual barn dance to be held August 15 at 9 p.m. at Colombo hall in Colma.

A POUND OF FIRE INSURANCE

A pound of baking soda kept in the glove compartment of your car is a wise precaution. Fires can get started quickly — in the engine, even in the upholstery or ashtray. Sprinkle soda over the smoking spot, and fire will be instantly extinguished. Baking soda produces carbon dioxide which settles around the blaze, cuts off its oxygen, and squelches the fire.

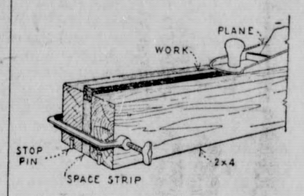
STRIPERS TAKEN

Many excellent catches of striped bass have been made during the past few days by anglers working off Hamilton Field Flats, Marin county, reports the National Automobile Club.

Handy Jim's FIXIN-UP TIPS For Farm and Home

To Plane Narrow Strip

ANY craftsman knows how tricky it is to plane narrow wood strips. *American Builder*, a magazine which is an authority for professional craftsmen, shows how to do it in a simple, effective manner.



As illustrated, take two pieces of 2 x 4's, clamping the narrow strip between and using a C-clamp at each end to hold them together. Between the 2 x 4's, place a spacer strip of the same thickness as the piece to be planed.
